

*You can be assured of a warm welcome at our bowling club!*

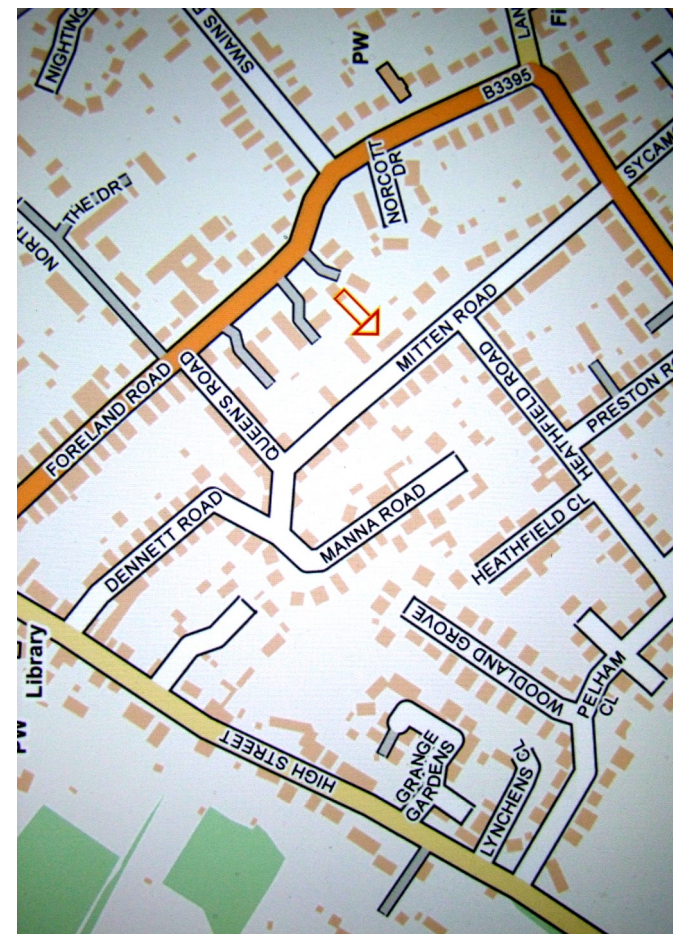

Although the bowling season is from April to September, we have a full social programme in the clubhouse all year round: from monthly coffee mornings, evening quizzes and talks, to Cribbage, games and craft sessions in winter. We also have our own bar with very reasonable prices!

## BEMBRIDGE BOWLS WEEK

Every August, Bembridge Bowls Club celebrates the wonderful game with three days of competition for all members with a range of formats supported with prizes for the winners

Located in Mitten Road, just off Foreland Road, we are not far from the centre of Bembridge Village. Our Green is quietly secluded behind a high hedge, and our clubhouse has all the required amenities that are kept to a high standard. Our well-kept grounds with bench seating are a pleasure to see and use.

All abilities welcome!

We want you to join us and enjoy what our club has to offer:
